FURTHERMORE:

For those of you who are interested in continuing our work on the Art Section that we began with Bert Chase last spring there will be an additional opportunity to continue our work on Art and Beauty, the work of the artist in our time.

Please let me know asap whether you are able to come to a joint session on the morning after the lecture. My suggestion of a \$55 donation would be to cover expenses like room rental and something toward Bert's effort! He will also come directly from another Art Section meeting in Dornach and tell us about that☺

Friday, October 7, 2016 from 9:30-12:30

Same place but in the seminar room

Suggested \$55 to cover cost, plus \$12 for lunch

Lunch must be booked by September 30!

Looking forward to seeing many of you, Regine
