## **Sharing Your Voice**

Anthroposophical Society in Canada  
2022 Annual General Meeting (AGM)  
**June 26, 2022, 11:15 am Eastern Time**  
**Saugeen Academy, Hanover**

The Sharing Your Voice form makes it possible for those unable to attend the AGM to contribute to the decision-making processes of the Society. We encourage you to join online or submit your proxy through Sharing Your Voice. Details for joining the AGM through Zoom will be sent closer to the date.

Our intention is to honour the processes established by Rudolf Steiner at the 1923 Christmas Conference. Those present were asked to feel themselves as representatives responsible for all members of the General Anthroposophical Society and make decisions out of an awareness based on the contributions brought to the meeting.

In a similar manner, members able to participate in the Anthroposophical Society in Canada 2022 AGM are asked to reflect on the contributions made and make decisions on behalf of all members. If those present decide that a formal show of hands is necessary, the Sharing Your Voice form also represents you in this process.

If you will not be attending the AGM and still want your voice to be heard, please forward the Sharing Your Voice proxy form by email to the Council member of your choice or contact them by phone.
