NEW ONLINE STUDY GROUP: KNOWLEDGE OF HIGHER WORLDS

I am hosting an online Rudolf Steiner reading group for the book Knowledge of the Higher Worlds and its Attainment. I would like to invite anyone interested to join. My hope is to mostly welcome those who are perhaps new to this book or new to anthroposophy in general, but all are welcome. We are currently on chapter five, but the conversation is open to previous chapters as well. We meet via Zoom on the last Friday of each month, 8pm Atlantic time.

Please email me at suz.ballah@gmail.com with any questions or to join. Thank you.

- The title “The Genius of Language” is taken from a cycle of lectures by Rudolf Steiner given to the teachers of the first Waldorf School in 1920. The title might suggest the conference is about linguistics. Although linguistics does fall within the purview of the Section, the focus of this conference is on the developmental power of poetic language and the literary imagination.
