Sunday Colloquium

Each Sunday, a **live meeting** with the Seminars' speakers.

Art

The art videos cover a wide range of topics and painting exercises that you can do at home following the instructions. Watch the videos during the week and paint at your own pace. Meet the teacher on Saturday to show your work, ask questions, and exchange ideas.

Eurythmy

Video lectures introduce fundamental Eurythmy exercises with clear guidance for your own practice during the week. The two live sessions on Saturday offers time to meet the teacher, deepen your understanding and ask questions.

Michaelmas Conference (26.09.2026)

Join the livestreams from the Michaelmas Conference, organized by the **General Anthroposophical Section**. Under the theme *Cosmic Intelligence: the Learning Heart*, the conference focuses on the heart as a center of thinking and learning, exploring a new Michaelic impulse of knowledge.
